

ADDENDUM TO JOURNAL  
OFFICE OF LEGISLATIVE COUNSEL

Monday - 27 February 1967

- 25X1 [ ] Met with Mr. Boyd Crawford and Miss June Nigh, House Foreign Affairs Committee staff, and returned the Committee copy of the transcript of the Director's briefing of 21 February. The various inserts were made in the transcript prior to delivery but no editorial corrections were made. Discussed with Mr. Crawford, the press announcements attributed to Representative Gross (R., Iowa), relating to state-ments of the Director on the seizure of documents from the residence
- 25X1 [ ] Mr. Crawford noted that he had been away from the Committee during the week due to illness. Mr. Crawford appeared personally offended that the news release had occurred and advised that he would discuss the matter further with me after he had had a chance to talk to the Chairman.
- 25X1 [ ] Met with Mr. Phil Kelleher, House Armed Services Committee staff, and reviewed with him matters for inclusion in the Chairman's opening remarks at the Director's briefing on Wednesday morning. Mr. Kelleher also advised that the Chairman had personally confirmed, during the morning, the time and date of briefing scheduled for Wednesday, 1 March, 10:00 a.m.
- 25X1 [ ] Met with Mr. J.R. Blandford, Counsel, House Armed Services Committee, who advised that his discussions with the Chairman during the day had not indicated any particular items for coverage by the Director on Wednesday. As a matter of conversation, he noted in passing, that it would be well if we avoided the NSA matter; but that if time allows, it probably will not be possible to avoid it.
- 25X1 [ ] Attempted several times during the day to meet with Representative Glenard Lipscomb to review with him the additional charts relating to Soviet economic aid, 1954-66, which were prepared as a result of questions raised at the last meeting of the Committee with the Director. With the Powell matter coming up on the floor and other Committee commitments, it may not be possible to meet with him before late in the week.
